Strategies for Success: Creating an Effective Board and Staff Team

Facilitator: Bob Macdonald

---

Governance

- Involves members
- Board oversees committees
- Long term goals

Management

- Day to day tasks
- Staff is accountable
- Important to hire good staff
- Must be trustworthy
- Gives written report every month

Board – training and strategic planning

Staff – training also important

Volunteer Co-ordinator – staff person – paid person

Separate management and community building

Roles between board and staff must be clearly defined

Important to keep membership informed through communication – ie newsletter

KISS – keep it simple
